

CERTIFICATE

With this certificate Swiss Climate Ltd awards the

Coca-Cola HBC Schweiz AG

the quality label

Swiss Climate Ltd, owner of the Swiss Climate CO₂ label, confirms the following:

The greenhouse gas inventory (carbon footprint) was established based on the data of the year 2023 according to ISO 14064-1 standard and follows the guidelines of the Greenhouse Gas Protocol. The above-mentioned company has established a climate policy, identified its risks and opportunities with regard to climate change and knows its most relevant emission sources. A CO₂ reduction objective has been defined based on concrete reduction measures. The commitment of the company is communicated internally and externally in order to inform key stakeholders and raise awareness.

Compliance with the guidelines for certification of the label has been audited and confirmed by SGS Société Générale du Surveillance SA. This certificate is valid for 5 years, its requirements are verified annually in a control audit.

Validity of the label: 08.11.2022 to 29.10.2025

Last audit: 25.06.2024

Registration number: CH11S1324

Berne, 03.10.2024

A handwritten signature in blue ink, appearing to read 'Othmar Hug'.
